

# Sharpak 6 Injury prevention pack (SIPP)

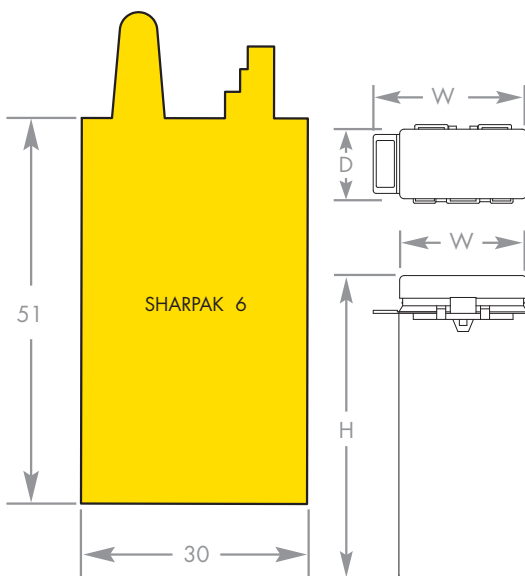

The Sharps Injury Prevention Pack (SIPP) was originally developed for the protection from infection of clinical staff working in the community. The SIPP pack is also ideal for people such as local council and refuse collection staff, park wardens, post collection staff, or indeed anyone who may be faced with having to handle and dispose of someone else's discarded needles and syringes.

Each pack contains a Sharpak 6 sharps container, surgical gloves, disinfectant spray, surgical wipes and forceps for picking up used sharps. The SIPP pack also includes yellow plastic sacks and security ties for the disposal of non-sharp items.

Patented and trademarked by Nolato.

PRODUCT	MAX CAPACITY	CAPACITY TO FILL LINE	PRODUCT CODE	HEIGHT	WIDTH	DEPTH
