

Healthcare Waste comes in different colours

Sharpak provide a range of colour-coded containers that meet the guidelines for the Safe Management of Healthcare Waste (Health Technical Memorandum HTM-07-01, Version 2), published by the Department of Health. Simply refer to the table below, using the Sharpak/NHS FSL codes, and select the most appropriate container for your requirements.

| <p>Sharpak containers are also available in code yellow and code purple for best practice safe segregation and disposal.</p> | <p>CODE ORANGE</p>  | <p>CODE YELLOW</p>  | <p>CODE PURPLE</p>  | <p>SPECIALIST SHARPS CONTAINERS</p> |
